**Kathleen Moore, MD**  
**Thomas Herzog, MD**

# The IC

**Purpose:** To identify high quality investigators at GOG-F sites who have demonstrated a commitment to high accrual to GOG-P clinical trials & enable them to act in an advisory role to sponsors & to GOG-P with the ultimate goal of increasing the FDA approval of new agents for gynecologic cancers.

**Vision:** To establish GOG-P as the foremost organization for high quality, efficient and cutting-edge gynecologic cancer clinical trial intellect and operations.
