

# GOG PARTNERS CONNECTION

A Quarterly Newsletter  
From GOG Partners, A GOG Foundation Program

The GOG Foundation, Inc. has one mission that is dedicated to transforming the standard of care in gynecologic oncology.

## THE GOG HIGHLIGHT REEL - FALL 2021 NEW EDUCATIONAL SERIES DEBUT

The GOG Foundation, Inc. and GOG Partners were thrilled to debut the first official GOG Highlight Reel via live broadcast from New York City on Friday, November 19, 2021. This exciting, ongoing Education Series showcases clinical trials and other newsworthy education, from major medical meetings throughout the year.

The GOG Highlight Reel – Fall 2021 session captivated attendees with an engaging discussion on Uterine, Cervical and Ovarian Highlights from the Fall 2021 major medical meetings. Led by two outstanding moderators, Dr. Bradley Monk, University of Arizona College of Medicine, Creighton University School of Medicine at St. Joseph's Hospital Phoenix, Arizona, USA and Dr. Robert Coleman US Oncology, Houston, Texas, USA, this panel of expert researchers shared their insights and thoughts on major medical advancements in Gynecologic Oncology.

### Panelists

- **Ramez Eskander, MD**, UC San Diego, San Diego, California, USA
- **Thomas Herzog, MD**, University of Cincinnati, Cincinnati, Ohio, USA

- **Kathleen Moore, MD**, Stephenson Cancer Center, Oklahoma City, Oklahoma, USA
- **David O'Malley, MD**, The Ohio State University, James Cancer Center, Columbus, Ohio, USA
- **Bhavana Pothuri, MD**, NYU Langone, New York City, New York, USA
- **Leslie Randall, MD**, Massey Cancer Center, Virginia Commonwealth University, Richmond, Virginia, USA
- **Angeles Alvarez Secord, MD**, Duke University, Durham, North Carolina, USA
- **Brian Slomovitz, MD**, Mount Sinai Medical Center, Miami Beach, Florida, USA

If you did not get a chance to participate in this live broadcast, [click here](#) to register for access to view the recording of The GOG Highlight Reel – Fall 2021.

The GOG Foundation, Inc. would like to thank our commercial supporters for their unrestricted educational grants associated with The GOG Highlight Reel – Fall 2021: *Merck, GSK, VBL Therapeutics, ImmunoGen, Regeneron, Myriad, and Novocure.*

Don't miss the next GOG Highlight Reel education session. Look for more information, dates and times coming soon. This engaging educational event will bring together the brightest minds and world-renown researchers who will share best practice and ways to improve the standard of care in gynecologic malignancies.

## PHILANTHROPY

### New Horizons

The GOG Foundation, Inc. rebranded

New Horizons Gynecologic Cancer Research logo in July 2021. We are excited to provide an opportunity for our community to contribute to the GOG's mission through research funding. This will allow physicians and researchers to conduct future clinical trials that positively impacts patients.

Look for the **Donate Now** button on our website [www.gog.org](http://www.gog.org) in 2022.

## Amazon Smiles

## SPECIAL RECOGNITION

### SGO 2021 - 2022 Board of Directors Ninth Annual Open Election

We are pleased to announce that Dr. Bhavana Pothuri from NYU Langone, has been elected to the 2021 - 2022 Society of Gynecologic Oncology (SGO) Board of Directors.

Congratulations Dr. Pothuri!

### New Director, International Relations, GOG-F for the GCIG

The GOG Foundation is honored to have Dr. Leslie Randall representing the GOG Foundation as the new Director of International Relations for the Gynecologic Cancer InterGroup (GCIG).

We would also like to thank Dr. Michael Bookman for his service and dedication to this role for the past three years.

## MARY "DICEY" SCROGGINS TRAVEL FUND

**Congratulations** to our patient advocates **Morgan Newman** from Norwalk, Iowa and **Susan Leighton** from Huntsville, Alabama for being selected the winners of the first Mary "Dicey" Scroggins Travel Fund Award.

The GOG is providing virtual access to all our "Dicey" patient advocacy applicants to attend the February Meeting. The award winners, Morgan and Susan, have been extended an invitation to join the July NRG Semi-Annual Meeting in Chicago, Illinois, July 21 – 23, 2022 in person.

The GOG is grateful for all of the applicants that shared their stories with us. It is an honor to continue Dicey's legacy.

We look forward to meeting our award winners in Chicago at the July Semi-Annual Meeting, and to our future collaboration to help contribute to the GOG's mission to transform the standard of care in gynecologic oncology!

**Morgan Newman**

**Susan Leighton**

## LET'S GET SOCIAL

**What GOG Means to ME**

The GOG Foundation, Inc. launched a "What GOG Means to ME" social media campaign and we would like you to participate.

As a participant in this campaign, you will be highlighted on our social media feeds (Twitter, Instagram, LinkedIn and Facebook). If you would like to participate, please email Lindsey Moeller at [lmoeller@gog.org](mailto:lmoeller@gog.org) with no more than a 35-word quote indicating what GOG means to you. We will feature your quote along with the following information on our GOG Social Media platforms throughout the year.

- **Quote:** No more than 35 words indicating what GOG means to you, examples can include: research, clinical trials, networking.
- **Current Headshot (Jpg or PNG format)**
- **Current Title/Role**
- **Institution**
- **Social Tags:** Please provide how we can find you on each of the social platforms so we can tag you when we post.

We appreciate your participation!

### Become a GOG Social Media Agent

The GOG Foundation is looking for members that are savvy with social media to become GOG Social Media Agents! Throughout the year our communications staff will invite our agents to participate in social media campaigns for meetings, education and special events. If you are interested in becoming a GOG Social Media Agent, please email Lindsey Moeller at [lmoeller@gog.org](mailto:lmoeller@gog.org) and include the following information:

- Current Headshot (Jpg or PNG format)
- Current Title/Role
- Institution
- Social Tags

## What GOG Means to Me

“ In addition to practice-changing trials that I can directly offer to my patients, the GOG Foundation has provided me with invaluable mentoring and leadership opportunities. My personal growth has been directly impacted by this innovative group. ”
